THE GREENE TURTLE SUPPORTS THE BRICK COMPANIES FOUNDATION
Freezin' for the Foundation: TBC Prepares for the MSP Polar Bear Plunge 2009

Edgewater, MD, January 2009 – To help support The Brick Companies Foundation's "Freezin' for the Foundation" MSP Polar Bear Plunge team, The Greene Turtle Sports Bar and Grille not only provided the venue for the team's annual dunk tank plunge event, but they also participated for the first time.

The dunk tank event is a fundraiser supporting The Brick Companies' plunge team who dunked in the MSP Polar Bear Plunge at Sandy Point State Park on January 24, 2009.

A large crowd came to The Greene Turtle in Edgewater on Friday, January 23rd for the opportunity to dunk Charlie Birney, executive director of The Brick Companies; Todd Williams, account executive for The Brick Companies; Andy Zerlaut, former junior systems administrator for The Brick Companies, and Matt Crook, manager of The Greene Turtle. Eager dunkers donated \$5 for three chances to dunk a team member. For those very determined to see a dunk, or \$20 got them an easy press of the lever to automatically dunk someone.

All proceeds from the dunk tank event were added to the team's full donation to the Special Olympics of Maryland of \$2,000.
