**THE BRICK COMPANIES PURCHASES SECOND PASADENA MARINA**

**EDGEWATER, Md. (July 18, 2006)** – The Brick Companies (TBC) today announced its acquisition of the Gibson Island Marina, now renamed Atlantic Marina on the Magothy. This already successful facility with prime water access to the Chesapeake Bay is the second marina in The Brick Companies’ *For Fun* real estate portfolio.

Atlantic Marina on the Magothy, located directly behind Little Dobbins Island, offers 40 deep water slips for boats with up to a 12 foot draft and 70 High & Dry storage racks. It is the first gas stop for boaters visiting the Magothy River from the Chesapeake Bay. Current members of the Gibson Island Marina will have access to all the amenities of the first of The Brick Companies’ marina properties, Atlantic Marina Resort on the Patapsco, located at 2010 Knollview Drive in Pasadena, including a sandy beach, new children’s playground and soon-to-be-built pool. The addition of the second marina will enhance TBC’s marina offerings.

The Company is working quickly to make the marina a “Maryland Clean Marina,” following the lead of its sister marina - Atlantic Marina Resort on the Patapsco. The Maryland Clean Marina Initiative recognizes and promotes marinas, boatyards and yacht clubs that meet or exceed legal requirements and adopt pollution prevention practices. For more information on the Maryland Clean Marina Initiative, visit the Department of Natural Resources website at <http://www.dnr.state.md.us/boating/cleanmarina/>.

Andy Dowell, General Manager at Atlantic Marina Resort on the Patapsco, will also manage Atlantic Marina on the Magothy. Alex Hazel, formerly of Bert Jabins Yacht Yard, will fill the position of Facility Manager.
