Pros N' Hackers Announces *MUST PLAY 2007* Courses: '*Most Challenging*' and '*Best Service*'

The *MUST PLAY 2007 Awards* were created by Pros N' Hackers Golf Magazine as a way for local golfers to identify the best public golf courses in the Greater Washington, D.C. and Baltimore Metro areas.

With thirteen different categories and over 200 public courses in our reader area, it is important to identify the best aspects of a *MUST PLAY* golf course. The huge task of identifying the best of the best in 2007 has fallen on the readers and subscribers of Pros N' Hackers Magazine and Pros N' Hackers Golf Wire, in addition to the listeners of Pros N' Hackers Radio Show. Votes are also taken through www.prosnhackers.com and other local golf media outlets.

Golfers send their votes via email, nominating their five favorite courses for each category. The results are tallied and the top 10 courses in each category are awarded the honor of Pros N' Hackers *MUST PLAY 2007*. The golf course with the most votes in each category will be crowned by our golfing public as the #1 *MUST PLAY* for that grouping. Courses can receive status in more than one category.

Congratulations to the courses awarded Pros N' Hackers *MUST PLAY 2007* status for in the categories of '*Most Challenging*' and '*Best Service*'. Here they are in alphabetical order. The #1 vote getter in each category appears in bold, but each and every course receives the people's choice title, Pros N' Hackers *MUST PLAY 2007*.

MOST CHALLENGING

- * Bulle Rock
- * Cannon Ridge
- * The Gauntlet
- * Generals Ridge
- * Laurel Hill
- * Lighthouse Sound
